

# Santana - Hold On

Tom: **Bb** Enter vocal "We'll have to concentrate.."

Chords used: (2:46) (2:54)

**Gm** **Dm** **Eb** (2:56)

Don't rush me just this once

**Cm** **D** **Gm** (3:01) (3:05)

I want to make this moment last

**Dm** **Eb**

Slow down the pace, there's no hurry

**Cm** **D** **Gm** **Dm** Hold On! (3:18)

I can't let another pass by me again

**Eb** **Bb** **D**

Let me be the one to say when I've had enough (3:23)

Just let me close my eyes, memorize

The way things are this minute

So when you're gone I can go on (3:31) quiet and quick (3:33) Change pickup to neck

If memory can hold within it what I'm feeling

Should time try fading or stealing something away

CHORUS: As Carlo's guitar screams the notes into the stratosphere

**Eb2** **F** I found this hard to tab; my guitar only has 21 frets so

Hold on, nothing's the same I had to fret the e string on the neck pickup and

**D** **Gm2** **F** pick it to try to produce a 24. Therefore I am sort of

Tell me why I feel this way (3:45)

**Eb** **Bb** **Dm** **F** **Bb** (3:54)

Life wouldn't be worth living without you

**Eb2** **F**

All along I've been the pretender (3:58)

**D** **Gm2** **F**

But now that's gone forever

**Eb2** **Bb** **Dm**

Nobody's ever loved me like you do

**D** Nobody's broken through (4:02)

Got to concentrate, file away

Every last detail (4:14)

Don't want to lost what's going down

I want to remember everything I'm feeling (4:19)

(1:34) (4:23)

(1:41) (1:43) (4:31)

(1:48)

## Acordes
