

Santana - Hold On

Tom: **Bb**

Chords used: (2:46) (2:54)

Gm **Dm** **Eb**
 Don't rush me just this once (2:56)
Cm **D** **Gm**
 I want to make this moment last (3:01) (3:05)
Dm **Eb**
 Slow down the pace, there's no hurry
Cm **D** **Gm** **Dm**
 I can't let another pass by me again Hold On! (3:18)
Eb **Bb** **D**
 Let me be the one to say when I've had enough (3:23)
 Just let me close my eyes, memorize
 The way things are this minute
 So when you're gone I can go on (3:31) quiet and quick (3:33) Change pickup to neck
 If memory can hold within it what I'm feeling
 Should time try fading or stealing something away
 As Carlo's guitar screams the notes into the stratosphere
 I found this hard to tab; my guitar only has 21 frets so
 I had to fret the e string on the neck pickup and
 pick it to try to produce a 24. Therefore I am sort of
 guessing here. (3:45) (3:54)
 CHORUS:
Eb2 **F**
 Hold on, nothing's the same
D **Gm2** **F**
 Tell me why I feel this way (3:45)
Eb **Bb** **Dm** **F** **Bb**
 Life wouldn't be worth living without you (3:54)
Eb2 **F**
 All along I've been the pretender (3:58)
D **Gm2** **F**
 But now that's gone forever
Eb2 **Bb** **Dm**
 Nobody's ever loved me like you do
D
 Nobody's broken through (4:02)
 Got to concentrate, file away
 Every last detail (4:14)
 Don't want to lost what's going down
 I want to remember everything I'm feeling (4:19)
 (1:34) (4:23)
 (1:41) (1:43) (4:31)
 (1:48)
