

Santana - I'm Feeling You

Tom: G
 Intro: (D Em7) x 2
 Verse 1
 Sometimes I imagine a world without you
 The most times I'm just so happy that I ever found you
 Pre-Chorus
 It's the complicated web
 That you weave inside my head
 So much pleasure with such pain
 Hopefully always, always stay the same
 Chorus
 I'm feeling the way you cross my mind
 And you save me in the knick of time
 I'm riding the highs, I'm digging the lows
 'Cause at least I feel alive
 I've never faced so many emotional days
 But now I feel as good
 I'm feeling you
 I'm feeling you
 Verse 2
 You go and then I can finally breathe in
 'Cause, baby, I know in the end you're never leaving
 Pre-Chorus
 Well, we're rarely ever sane

I drive you crazy and you just say
 But your fire fills my soul
 And it warms me up like no one knows
 Chorus
 Solo (I wish I could only play this)
 Chorus (But break the chords up to "least" all soft and cutesy wootsey)
 I'm feeling the way you cross my mind
 And you save me in the knick of time
 I'm riding the highs, I'm digging the lows
 'Cause at least I feel alive
 I've never faced so many emotional days
 But now I feel as good
 I'm feeling you
 I'm feeling you
 I'm feeling you
 I'm feeling you
 Chorus
 I'm feeling the way that you cross my mind
 And the way that you save me in the knick of time
 Oh, I'm feeling the way when you walk on back
 I feel light, I feel love, I feel butterfliiiiiiiiiies
 I feel butterflies
