

Santana - Jingo

Tom: **C**

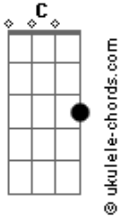

h=hammer-on
p=pull-off
/=slide up
\=slide down
=bend

br, r=bend &release

14r12 = pre bend from twelve to 14 then pick and release

You will have to tune your guitar up a bit for this song, but not quite a full fret higher. I hate it when songs are like this because it's a pain. It may take a while to get it just right.

Acordes

```
|--7-----|  
|--7-----|  
|--7-----|  
|-----|  
|-----|  
|-----|
```

Play on this chord during the singing

solo:
