

Santana - You Are My Kind

Tom: **G**

By: Santana feat. Seal

Intro: -----

1st verse:

Stay with me baby

and that's all i ask of you

and i know that someday

you would remember the way that this moment feels to you
don't let it go

don't turn your back on what you think you know, you never
know

don't leave me alone

'cause i need you

to cling to

Chorus:

"cause you are my kind
your all that i want

here in this life

Until we are gone

ou breath and our skin
our hearts and our minds

there one of the same,you are my kind

2nd verse:

Well call on me baby

if you should ever need someone

to help get your head straight

I'll be your resident all night
Sure i'm glad just having you around

all that i know

when you find your love you never let it go, never let go

when you i'm lost

I get scattered (scattered)

I'm shattered

Chorus 2:

'cause you are my kind, you're all that i want

here in this life

until we are gone

our breath and our skin, our hearts and our minds

they're one and the same 'cause you are my kind

we're one and the same

you are my kind

Guitar Solo 1:

3rd verse:

Don't let it go

Don't turn your back on what you trthink you know,you never know

Don't leave me alone

'cause i need you (i need you)

to cling to

Chorus 3:

'Cause you are my kind

you're all that i want

here in this life

until we are gone

our breath and our skin our hearts and our minds

they're one and the same

Acordes

"cause you are my kind

Guitar Solo 2:

Our love and our soul

I need you tonight

your love makes me whole

And it's all that i can stand, until you come home

I need you tonight you are my kind (2X)

oh oh ho huah ho, you are my kind

Oh oh ho huah ho

You are my kind
