

# Santos Colón - Amantes

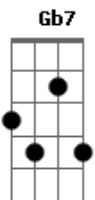

tom:  
**Bm**  
 Amantes, **Bm** somos amantes y **Gb7 Em** qué?  
 Y el que **Gb** no quiera **Bm** aprobar  
 Esta manera de **Db** amar  
 Nunca nos **Gb** podrá **Gb Gb7** cambiar  
 No **Bm** saben, **Gb7** contener su mala **Bm** fé  
 Cada **Dbm7** cuál **Gb7** tiene su **Bm** ley y  
**Db7 Gb Gb7**  
 Ardiendo con **Bm** tú **Em** querer  
 Me **Bm** siento yo como un **Em** rey  
 Cuantos **A** llegan al altar

Jurando **D** cariño en vano  
 De **D** rodillas ante Dios  
 La corona de **Bm** azahar  
 Y el mismo anillo **Abm G** dorado  
 Que pueden **Gb7** garantizar  
 Cuando se **Gb7** trata de **Bm** amor  
 Pero **Bm** tú y yo  
 Sin **Gb7 Dbm Gb7** ceremonias de fé  
 Ni **Bm** brillantes de **Db7** valor  
 Cuidamos **Gb** bien este **Bm** amor  
 Somos amantes y **Bm** qué?
