

São José da Laje - AL - Hino de São José da Laje - AL

tom: G

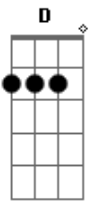

São José da Laje avente terra de real beleza
 Entre mães a mais galante o jardim da natureza
 Céu azul da minha terra canaviais bem farfalhantes
 O cruzeiro sobre a serra rios, açudes transbordantes

As margens do rio canhoto foste crescendo em tua fé
 Evocando o santo amigo o padroeiro São José
 Belas igrejas e flores a miragem sobre as pontes
 Praças cheias de amores doce água tem nas fontes
 As margens do rio canhoto foste crescendo em tua fé
 Evocando o santo amigo o padroeiro São José
