

Saosin - Seven Years

D

Taking on seven years

The holy ghost had left alone

Test my arms, kick like crazy

I've been trying way too long

Only push the way off to fight you

Now I'm sorry, I'm sorry, I'm not sure

Getting off my chest

The story ends

I would find a way without

Tell him his eyes see too clear

I would find a way without you

Tell him his eyes see too clear

That mistake was gold

I know that without you

Is something that I could never do

That was why staple the eyes and

Seven dates for me to sell machines

And tear on

Seven years you assured me

That I'd be fine if I complied

Only push the way off to fight you

Now I'm sorry, I'm sorry, I'm not sure

Getting off my chest

The story ends

I would find a way without

Tell him his eyes see too clear

I would find a way without you

Tell him his eyes see too clear

That mistake was gold

I know that without you

Is something that I could never do

That was why staple the eyes and

Seven dates for me to sell machines

And tear on

Don't treat me, I'm to blame (Sorry, I'm sorry, I'm sorry)

Don't treat me like I ever accused you
