

# Sara Araújo - Rosa do Amanhã

tom:

Intro: Dm Bb A Dm  
Gm A Dm A

[Primeira Parte]

Aparecem as flores

Na terra!

A voz da rola canta!

As feridas dos espinhos

Começam a cicatrizar!

O jardim já floresce!

A linda flor a brotar!

É primavera que chega!

É tempo de cantar

[Refrão]

Eu sei que o meu Deus

Quer me ver

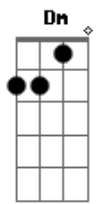

Como a rosa bonita!

Do amanhecer

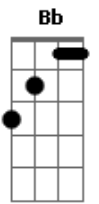

Molhada pelo orvalho

Caído lá do céu!

Qual orvalho do céu

Que nova vida dar
