 That would keep me standing  
 G  
 If I take you and your word  
 Am  
 Then I'm empty handed  
 C  
 A tongue like yours should be burned and branded  
 D  
 So I can see you lie to me  
 Em  
 I wish the air would color red  
 G  
 When you breath it in  
 Am  
 And so I could have seen it coming  
 C  
 Look in my eyes when you say you love me  
 D  
 So I can see you lie to me
