Tom: C
Intro: 2x: G C Am7 C

Verso 1:
G C Am7 C
There's too many things that I haven't done yet
There's too many sunsets, I haven't seen
You can't waste the day wishing it'd slow down
You would've thought by now, I'd have learned something

(G C Am7 C) (2x)

Verso 2:
G C Am7 C
I made up my mind when I was a young girl
I'd been given this one world, I won't worry it away
Now and again I lost sight of the good life

I get stuck in the low light
But then love comes in

Refrão:
G C F C
How far do I have to go to get to you?

Many the miles,

Many the miles Oh, oh

How far do I have to go to get to you?

Many the miles wooo

But send me the miles, and i'll be happy to.

follow you, love

Verso 3:
I do what I can wherever I end up
To keep giving my good love and spreading it around
Cause I've had my fair share of take care and goodbyes
I've learned how to cry, and I'm better for that

Refrão:
Sing how far do I have to go to get to you
Many the miles, many the miles
How far do I have to go to get to you
Many the miles, ooh
Send me the miles and I'll be happy to, yeah

Got to, got to give, 'cause I can't keep waiting to live
