

# Sara Kays - Smaller Than This

tom:  
Capostrate na 1ª casa

I wake up early  
Sometimes at 5:30 to run  
My mom got too worried  
I had to tell her it was fun

Oh, I feel like a failure  
If I don't skip breakfast and lunch  
I'm chasing a body  
I know that I'll never outrun

'Cause I'll always wish  
I was smaller than this  
And I just can't quit  
Pulling at my skin  
Oh, I'm scared that I'm never gonna like

How I look and I wish I knew why  
'Cause I'll always wish  
I was smaller than this

I'll set a goal for myself  
And I'll try to work hard  
I'll reach it but swear  
I look just like I did from the start

I know that it's not true  
But I feel like I'm the only one  
Who's chasing a body  
I know that I'll never outrun

'Cause I'll always wish  
I was smaller than this  
And I just can't quit  
Pulling at my skin  
Oh, I'm scared that I'm never gonna like  
How I look and I wish I knew why  
'Cause I'll always wish  
I was smaller than this

I was smaller  
I was smaller  
I was smaller  
I was smaller

I wish I was  
I was smaller  
I was smaller  
I was smaller  
I was smaller

I wish I was  
I'll always wish  
I was smaller than this

(I was smaller, I was smaller)  
And I just can't quit

(I was smaller, I was smaller)  
Pulling at my skin (I was smaller)  
(I was smaller, I was smaller)

Oh, I'm scared that I'm never gonna like  
How I look and I wish I knew why  
That I'll always wish  
I was smaller than this
