

# Sara Paxton - How Can I Remember To Forget

tom: G

So I guess it's over, there's nothing left to say D Em

Take the ring off my finger and just call it a day G C

Thought we had forever, but that was yesterday Em

You're such a liar, wish I saw it on your face G D

But you did it so well Em

Can somebody just tell me how? G D

How can I remember to forget? D G

When my heart just won't let me D

Make myself un-love you, tell me that it's not true Em C

I know all the reasons G

But I just can't believe them D

And pretend we never met C

How can I remember to forget? D G

Wish that I could hate you, so I could D Em

Let you go C

Wish I never met, the G

One I want the most D

I could fill an ocean, with all the tears I've cried Em C

Tell me you were joking G

Just a dream I had last night D

But I'm wide awake and Em

I want you so much right now C D

How can I remember to forget G

These emotions and all the plans we made? C Em

Like we never happened, make my heart a break. C D

I know we're clearly over Em

But I just don't know how Em C

How can I remember to forget? D G

When my heart just won't let me D

Make myself un-love you, tell me that it's not true Em C

I know all the reasons G

But I just can't believe them D

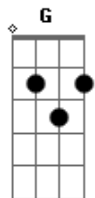

And pretend we never met C

How can I remember to forget? D G

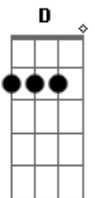

Forget Forget Forget G D Em

How can I remember to forget? D G
