

Sara Paxton - How Can I Remember To Forget

tom:
 So I guess it's over, there's nothing left to say
 Take the ring off my finger and just call it a day
 Thought we had forever, but that was yesterday
 You're such a liar, wish I saw it on your face
 But you did it so well
 Can somebody just tell me how?
 How can I remember to forget?
 When my heart just won't let me
 Make myself un-love you, tell me that it's not true
 I know all the reasons
 But I just can't believe them
 And pretend we never met
 How can I remember to forget?
 Wish that I could hate you, so I could
 Let you go
 Wish I never met, the
 One I want the most

I could fill an ocean, with all the tears I've cried
 Tell me you were joking
 Just a dream I had last night
 But I'm wide awake and
 I want you so much right now
 How can I remember to forget
 These emotions and all the plans we made?
 Like we never happened, make my heart a break.
 I know we're clearly over
 But I just don't know how
 How can I remember to forget?
 When my heart just won't let me
 Make myself un-love you, tell me that it's not true
 I know all the reasons
 But I just can't believe them
 And pretend we never met
 How can I remember to forget?
 Forget Forget Forget
 How can I remember to forget?
