

# Sarah Cothran - As The World Caves In

tom:

My feet are aching  
 And your back is pretty tired  
 And we've drunk a couple bottles, babe  
 And set our grief aside  
 The papers say it's doomsday  
 The button has been pressed  
 We're gonna nuke each other up boys  
 'Til old Satan stands impressed

And here it is, our final night alive  
 And as the earth burns to the ground

Oh girl it's you that I lie with  
 As the atom bomb locks in  
 Oh, girl it's you I watch TV with  
 As the world, as the world caves in

You put your finest suit on  
 I paint my fingernails  
 Oh we're going out in style babe  
 And everything's on sale  
 We creep up on extinction  
 I pull your arms right in  
 I weep and say goodnight love  
 While my organs pack it in

And here it is, our final night alive  
 And as the earth burns to the ground

Oh girl it's you that I lie with  
 As the atom bomb locks in  
 Oh, girl it's you I watch TV with

As the world, as the world caves in
