

Sarah Cothran - As The World Caves In

tom:

My feet are aching
 And your back is pretty tired
 And we've drunk a couple bottles, babe
 And set our grief aside
 The papers say it's doomsday
 The button has been pressed
 We're gonna nuke each other up boys
 'Til old Satan stands impressed

And here it is, our final night alive
 And as the earth burns to the ground

Oh girl it's you that I lie with
 As the atom bomb locks in
 Oh, girl it's you I watch TV with
 As the world, as the world caves in

You put your finest suit on
 I paint my fingernails
 Oh we're going out in style babe
 And everything's on sale
 We creep up on extinction
 I pull your arms right in
 I weep and say goodnight love
 While my organs pack it in

And here it is, our final night alive
 And as the earth burns to the ground

Oh girl it's you that I lie with
 As the atom bomb locks in
 Oh, girl it's you I watch TV with

As the world, as the world caves in
