

# Sarah Jaffe - Vulnerable

Tom: G

C  
you're such a baby  
G  
it's just a nose bleed  
D  
leave me for a while  
D  
so you can go and cry  
C  
didn't I say that  
G  
you make it up  
D  
twist my words around  
D  
flip them upside down  
C  
you cannot stay here  
G  
you must go home  
D  
it's nearly 3 o'clock  
D  
and now I'm seeing spots

C G D  
wake me up just to call me  
D  
sleeping beauty  
C  
oh fine  
G  
that's fine  
D  
I got my hands up  
D  
I'm feeling vulnerable

C  
one more message  
G  
it could not hold  
D  
so you go to option B  
D C  
drive 20 miles to see me at my worst  
G

and off to work  
D  
think of random things to say  
D  
then leave me for the day

C G D  
wake me up just to call me  
D  
sleeping beauty  
C  
oh fine  
G  
that's fine  
D  
I got my hands up  
D  
I'm feeling vulnerable

C  
all your theories  
G  
on why I am  
D  
so complex all the time  
D  
you try to pick my mind  
C  
but what about you  
G  
you're so vague  
D  
and everything you tell  
D  
is what keeps me coming back

C G D  
wake me up just to call me  
D  
sleeping beauty  
C  
oh fine  
G  
that's fine  
D  
I got my hands up  
D  
I'm feeling vulnerable
