

Sarah Jaffe - Watch Me Fall Apart

Tom: Bb

(com acordes na forma de G)
Capostrate na 3ª casa

G G
You said once you were sad
But i don't believe you
D
You're too simple in the head
For pain to please you
Em
There are days when you feel good
G D
And days when you feel nothing at all

G
But there is no inbetween
And is that, that kills you

D
Cause you don't know what to do
Which page to thumb through

Em
On all of my failures i've leaned
G D

G D
But with god as my witness i fall

Em G D
Oh one by one they watch me fall apart

Em G D
Oh one by one they watch me fall apart

Oh one by one they watch me fall apart

(G D Em G D)

G
Forgive me i'm empty
And i want you to need me

D
Your assurance is a game
And i'm always bluffing

Em
Like suburban nature
G D

I've separated myself

G
But i'll kindly grip my teeth
Swallow and bury it

D
Unsettled and anxious
And now i'm careless

Em
And i'm swearing in my sleep
G D

Cursing as the day, as it goes by

Em G D
Oh one by one they watch me fall apart

Em G D
Oh one by one they watch me fall apart

[Final] Em G D
