C D

Of dreaming my little dream  
Just wait and see  
Am D G E7  
It's hard to hold on and believe  
'Cause what if it's not meant to be  
I'll try to pretend  
That it's not the end  
You just wait and see  
I know it's real  
I'll keep on dreaming my little dream
