

# Sarah Kang - Once In a Moon

tom: Bbm (forma dos acordes no tom de Am)  
 Capostraste na 1ª casa

[Primeira Parte]

G7M Bm7 Bbm7 Am7  
 For the first time, I would like my name  
 Am7 Dadd9  
 Just because of the way you say it  
 G7M Bm7 Bbm7 Am7  
 And I would memorize every line and hair  
 Dadd9  
 To remember when you aren't there

[Pré-Refrão]

G7M Bm7 Bbm7 Am7  
 We would walk along? a tree-lined street  
 Am7 Dadd9  
 With a breeze? dancing at our feet  
 G7M Bm7 Bbm7 Am7  
 And we would sing a song in harmony  
 Am7 Dadd9  
 If only you hadn't left me

[Refrão]

Dm G  
 So I'll think of you once in a moon  
 C7M Am7  
 When I hear your favorite tune  
 Dm G  
 And someday after a year or two  
 C7M Db  
 Maybe then, I won't be loving you

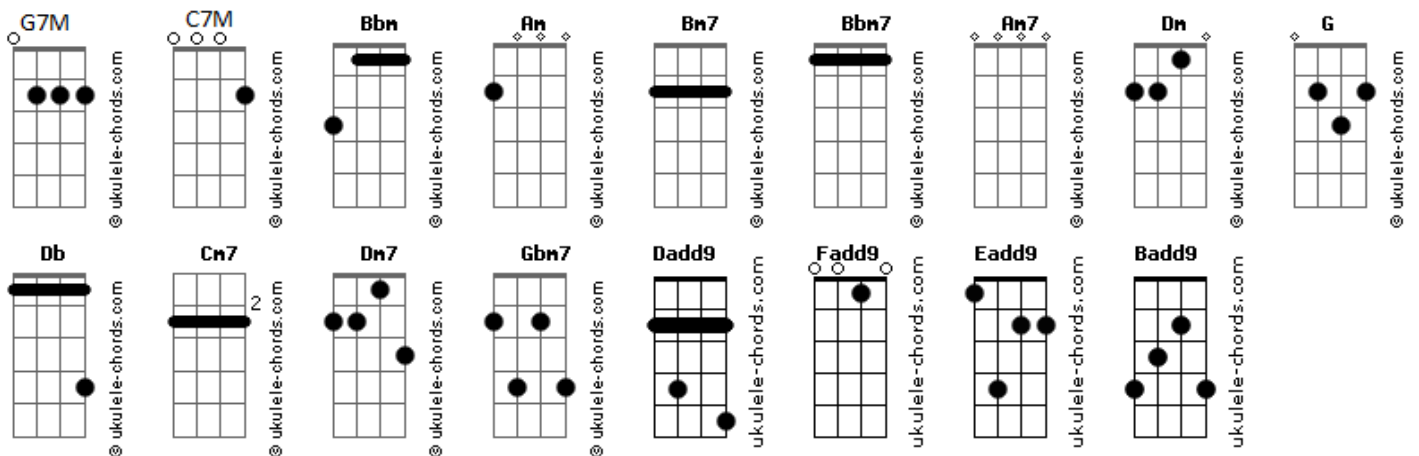

( Dm G )

[Pré-Refrão]

G7M Bm7 Bbm7 Am7  
 We would say goodbye just to say hello again  
 Am7 Dadd9  
 And we would get in fights just to get over them  
 G7M Bm7 Cm7 Fadd9  
 We would be alright even if things don't stay the same  
 Am7 Dadd9  
 If only you had stayed

[Refrão]
