You have loved me well, in a million ways

But my wounds are all I know

So I turn my head, and I hide my face

Too afraid to come back home

And all of the doors swing open

When I see You, when I see You

You make my heart unbroken

When I see You, when I see You

And I come undone, I come undone

When my fear comes close, and it robs me blind

Still Your love provides for me

What a winding road, what a river wild

Being Yours, becoming free

And all of the doors swing open

When I see You, when I see You

You make my heart unbroken

When I see You, when I see You

And I come undone, I come undone

My eyes more open the closer You come

My heart unfolds like a flower in the sun

My fear grows cold in the light of Your love

My heart unfolds, I'm coming undone

My eyes more open the closer You come

My heart unfolds like a flower in the sun

My fear grows cold in the light of Your love

My heart unfolds, I'm coming undone

And all of the doors swing open

When I see You, when I see You

You make my heart unbroken

When I see You, when I see You

And all of the doors swing open

When I see You, when I see You

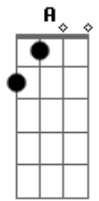

You make my heart unbroken

When I see You, when I see You

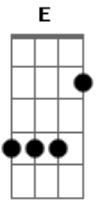

And I come undone, I come undone

Oh, I come undone, Jesus
