

Sarah Mclachlan - Dont Give Up On Us

tom:
 Capostraste na 1ª casa **Ab** (forma dos acordes no tom de **G**)

Love has taken me for a fool
 Gotten out in time to save himself
 Should've known better but I'll let things slide
 I took you for granted
 That you'd always be
 The one for me
 Maybe I'll start trying

Oh, baby, don't give up on us
 I know your heart is full of doubt
 You don't need to be without
 These loving arms
 That will hold you through your darkest hour
 I'll be using all my power
 So I can reach you
 Oh, my love, don't give up on us

D
Am I living alone here
 Or have I turned to dust
 It hurts, it hurts to wait for just a little love
 You must give me a sign now
 Can't you see me standing here
 Alive and well with all the hope you'll be

The one for me
 Maybe I'll keep trying
 Oh, baby, don't give up on us
 I know your heart is full of doubt
 You don't need to be without
 These loving arms
 That will hold you through your darkest hour
 I'll be using all my power
 So I can reach you
 Oh, my love, don't give up on
 Don't give up on, don't give up on us

Maybe the way I can see
 Inward where it all begins
 We can't go on
 Dm7b5 (see top of page)
 Living on a cloud
 We'll never find our way home

Let me reach you
 Oh, my love, come on, let me in
 Oh, let me hold you
 Oh, my love, don't give up on us
 Oh, let me reach you
 Oh, my love, come on, let me in
 Oh, let me hold you
 Oh, my love, don't give up on us
