

# Sarah Pontes - Everything Abt You

tom:  
Abm

Oh, when you hold me  
 And I feel your touch  
 It's like a melody that it plays right in my head  
 So, please, stand by me

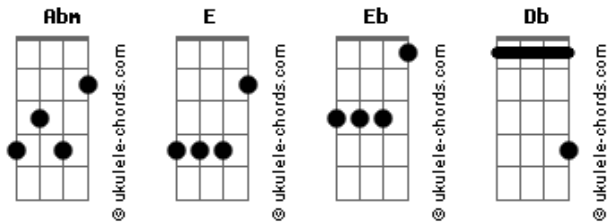

'Cause I love everything about you

And you know that that's true  
 I love the way that you smile  
 And keeps me melted for a while

Oh, wow  
 Oh, wow

Oh, wow

## Acordes

How did you make me feel like this?

I just can't understand  
 Why that I want your kiss?  
 Why that I want you to stand by me?

By me

So let me ask you a question  
 Does this feeling flows both ways?  
 Do you feel the same as I do?

Have you ever been in love someday?

You know what I meant, right?

I can't hide it anymore
