

# Sarah Reeves - God Of The Impossible

Tom: F

Intro: F C Bb C

My biggest storm, one drop of rain  
 My raging fire, a candle flame  
 My deepest ocean is like a puddle at Your feet  
 My darkest valley, my greatest mountain  
 They are Your prairie for You are constant  
 Your ways are higher than any other  
 So I will sing

God of the impossible  
 Maker of all miracles  
 I stand in awe of You  
 I'm so amazed by how You  
 Reach into my brokenness  
 Make me beautiful again  
 I believe  
 Yes, I believe  
 Nothing is impossible with You

When I am weak  
 You are my strength  
 And all Your power is made complete  
 You turn my failures to victories  
 Hallelujah, hallelujah

God of the impossible

Maker of all miracles  
 I stand in awe of You  
 I'm so amazed by how You  
 Reach into my brokenness  
 Make me beautiful again  
 I believe  
 Yes, I believe  
 Nothing is impossible with You

Healer, Healer  
 I'm restored by a healer  
 Provider, Provider  
 I am filled by a provider  
 Deliverer, Deliverer  
 I'm set free by a deliverer  
 Savior, my Savior  
 I'm redeemed by a savior

God of the impossible  
 Maker of all miracles  
 I stand in awe of You  
 I'm so amazed by how You  
 Reach into my brokenness  
 Make me beautiful again  
 I believe  
 Yes, I believe  
 Nothing is impossible with You
