

Sasha Sloan - House With No Mirrors

tom:

D
[Primeira Parte]

Bm
I'd be cooler, I'd be smarter
G
Probably be a better daughter
D
I'd jump in a pool without thinking twice
A
Take off my shirt like one of the guys
Bm
I would save a lot of money
G
I would say when I was hungry
D
I'd throw on some jeans, not know the size
A
Walk out the door and not wanna cry

[Refrão]

Bm
If I lived in a house with no mirrors
G
Where the walls didn't talk back at me
D
Maybe I'd dream a bit bigger
A
If there was nothin' to see
Bm
If I lived in a house with no mirrors
G
Where the walls didn't pick me apart
D
Maybe my skin would be thicker
A
If I lived in a house with no mirrors

[Segunda Parte]

Bm
I'd be louder, I'd be honest
G
Probably wouldn't be self-conscious
D
I'd go to a party, not care who was there
A
Not spend an hour pickin' what to wear
Bm
Would've never dyed my hair blonde
G
I'd have sex with all the lights on
D
And I wouldn't pull away from his touch
A
If he said I was pretty I'd think that I was
