

Sasha Sloan - Someone You Hate

tom:

D
Told your mama I'd take care of you Bm
Loaded up the car Gbm
Drove into the dark G
D Billboard signs and skylines painted blue Bm
Gbm We made it home
G But I felt alone

D
We were growing, growing apart
Bm And I knew I had to break your heart
Gbm So off I went
G Haven't seen you since
G I went from

D
Someone you held, you held when you were lonely
Bm Someone you called, you called your one and only
Gbm I threw it all away
G I went from someone you love
G To someone you hate

D
Summer nights w?re feeling kinda strange Bm
Gbm Sleeping back to back
G I knew we'd never last

D
We were growing, growing apart
Bm And I knew I had to break your heart
Gbm So off I went
G Haven't seen you since

I went from

D
Someone you held, you held when you were lonely
Bm Someone you called, you called your one and only
Gbm I threw it all away
G I went from someone you love
G To someone you hate
D I know we talked, we talked about forever
Bm I know you thought, thought we'd end up together
Gbm I threw it all away
G I went from someone you love
G To someone you hate

(D Bm Gbm G)
D Told your mama I'd take care of you Bm
Gbm They say people change
G Well, I guess it's true
G I went from

D
Someone you held, you held when you were lonely
Bm Someone you called, you called your one and only
Gbm I threw it all away
G I went from someone you love
G To someone you hate
D I know we talked, we talked about forever
Bm I know you thought, thought we'd end up together
Gbm I threw it all away
G I went from someone you love
G D To someone you hate
