

# Sasha Sloan - Someone You Hate

tom:

D  
Told your mama I'd take care of you Bm

D Gbm  
Loaded up the car

G  
Drove into the dark

D Bm  
Billboard signs and skylines painted blue

Gbm  
We made it home

G  
But I felt alone

D  
We were growing, growing apart

Bm  
And I knew I had to break your heart

Gbm  
So off I went

G  
Haven't seen you since

G  
I went from

D  
Someone you held, you held when you were lonely

Bm  
Someone you called, you called your one and only

Gbm  
I threw it all away

G  
I went from someone you love

G  
To someone you hate

D Bm  
Summer nights w?re feeling kinda strange

Gbm  
Sleeping back to back

G  
I knew we'd never last

D  
We were growing, growing apart

Bm  
And I knew I had to break your heart

Gbm  
So off I went

G  
Haven't seen you since

I went from

D  
Someone you held, you held when you were lonely

Bm  
Someone you called, you called your one and only

Gbm  
I threw it all away

G  
I went from someone you love

G  
To someone you hate

D  
I know we talked, we talked about forever

Bm  
I know you thought, thought we'd end up together

Gbm  
I threw it all away

G  
I went from someone you love

G  
To someone you hate

( D Bm Gbm G )

D Bm  
Told your mama I'd take care of you

Gbm  
They say people change

G  
Well, I guess it's true

G  
I went from

D  
Someone you held, you held when you were lonely

Bm  
Someone you called, you called your one and only

Gbm  
I threw it all away

G  
I went from someone you love

G  
To someone you hate

D  
I know we talked, we talked about forever

Bm  
I know you thought, thought we'd end up together

Gbm  
I threw it all away

G  
I went from someone you love

G D  
To someone you hate
