

# Sasha Sloan - Someone You Hate

tom:

**D**  
Told your mama I'd take care of you

**Bm**  
Loaded up the car

**Gbm**  
Drove into the dark

**G**  
Billboard signs and skylines painted blue

**D**  
We made it home

**Bm**  
But I felt alone

**D**  
We were growing, growing apart

**Bm**  
And I knew I had to break your heart

**Gbm**  
So off I went

**G**  
Haven't seen you since

**G**  
I went from

**D**  
Someone you held, you held when you were lonely

**Bm**  
Someone you called, you called your one and only

**Gbm**  
I threw it all away

**G**  
I went from someone you love

**G**  
To someone you hate

**D**  
Summer nights w?re feeling kinda strange

**Bm**  
Sleeping back to back

**Gbm**  
I knew we'd never last

**D**  
We were growing, growing apart

**Bm**  
And I knew I had to break your heart

**Gbm**  
So off I went

**G**  
Haven't seen you since

I went from

**D**  
Someone you held, you held when you were lonely

**Bm**  
Someone you called, you called your one and only

**Gbm**  
I threw it all away

**G**  
I went from someone you love

**G**  
To someone you hate

**D**  
I know we talked, we talked about forever

**Bm**  
I know you thought, thought we'd end up together

**Gbm**  
I threw it all away

**G**  
I went from someone you love

**G**  
To someone you hate

**D Bm Gbm G**  
Told your mama I'd take care of you

**Bm**  
They say people change

**G**  
Well, I guess it's true

**G**  
I went from

**D**  
Someone you held, you held when you were lonely

**Bm**  
Someone you called, you called your one and only

**Gbm**  
I threw it all away

**G**  
I went from someone you love
