

Sasha Sloan - Version Of Me

```
Tom: E
Can you love, can you love
Can you love the version of me
I don't let, I don't let
I don't let anybody else see?
When I choke, when I choke
When I choke would you try and help me breathe?
Can you love, can you love
Can you love the version of me?
[Primeira Partel
That isn't happy all the time
I get outta my head, get outta my mind
Can't get outta bed sometimes
And when I look at myself as if might cry
'Cause I got some trauma
Some family drama
Just thought I'd warn you
[Pré-Refrão]
You have a hard time making sense of this
I'm the most lowkey masochist
The wrong place if you're looking for heaven
So I got one question
[Refrão]
Can you love, can you love
Can you love the version of me
I don't let, I don't let
I don't let anybody else see?
When I choke, when I choke
When I choke would you try and help me breathe?
Can you love, can you love
Can you love the version of me?
[Segunda Parte]
That's gonna wanna stay the night
I get outta my head, get outta my mind
Can't be on my own sometimes
I don't even need bait, and I'll probably bite
'Cause I got some trauma
```

Maybe it's just something in my brain (in my brain)

C
Maybe it's the way I was raised (oh) \,
I wouldn't blame you if you tried to walk away
But I want you to stay
Yeah, I want you to stay
I just got one question
