

Satellite Stories - Lorraine

Tom: E

(com acordes na forma de D)

Capostrate na 2ª casa

I can't believe I fell in love

With someone new, I've never seen

Lorraine is her name and she lives far away

To southern California I'll take the plane

It was near the holidays

Few days before it started

I've spent all my days

Dreaming, dreaming

Of something great to come

And everything was undone

Until I felt from toes to head

It was in the air

I can't believe I fell in love

With someone new, I've never seen

Lorraine is her name and she lives far away

To southern California I'll take the plane

And I came all this way

To see you smiling like on Sunday

My dreams come true

When we're sleeping, sleeping

Until we feel from toes to head

It is in the air

I can't believe I fell in love (Oh Lorraine, I'll be there soon)

With someone new, I've never seen (On your door this afternoon)

Lorraine is her name and she lives far away (Oh Lorraine, I'll be there soon)

To southern California I'll take the plane (On your door this afternoon)
