tom:

Intro: Ab Cm Ab Eb Ab  
Cm Eb Ab

Won't you come here?

You know the way, it's the one you made. Oh Oh

Built it in the sky, all that's in your eye

Now not the same

Watch it tumble down, falling all around

Can you stand

Watching it undo all that's made of you?

You can stay where you are

I will wake you, I will wake you

In the morning. In the morning

You can stay where you are

So don't you worry, Don't you worry

keep on sleeping

( Ab Cm Eb Ab Cm Eb Ab )

Now you see: what you thought was yours could never be had. Oh Oh

Take a look around, try to understand that

It's a game that you'll never hold onto very long. Long

Where we are isn't just a place where everything remains

Fm

You can stay where you are

I will wake you, I will wake you

In the morning. In the morning

You can stay where you are

So don't you worry, Don't you worry

keep on sleeping

You can stay where you are

You can stay where you are

You can stay where you are

You can stay where you are

You can stay where you are

You can stay where you are

[Solo] Ab Eb Bb

Not the same

Watch it tumble down, falling all around

Can you stand

Watching it undo all that's made of you?

(Oh, oh, oh) I will wake you

(Ooh, oh, oh, oh)

I will wake you in the morning, in the morning

Don't you worry, keep on sleeping

Oh, oh, oh, Ooh, oh, oh, Oh, oh
