

Sawyer Hill - Look At The Time

tom:
 Never been one to trust
 Never saw the gain in lust
 It's all too real when the love you feel's forgotten
 When another lays in the bed you made
 And your best days are forgotten
 Is he all you need?
 Do you look at him the same way you looked at me?
 You looked at me
 Cause when you say that I'm the only one
 Did you mean that I'm the closest one around?
 Around
 You know that talk is cheap and don't mean a thing
 Did you say you loved me
 Cause you liked the way it sounds?
 It sounds now, darling
 The past it hurts
 But the future ain't got nothing to do with you
 Your loving words
 Are for the weak at heart or the simple-minded fools
 Fools
 Now I know so much better, babe
 Than to go around feeding snakes like you
 (Dbm B A)
 Everybody wrestles with their demons
 But who would've known the devil I chose
 Is an angel when she's sleeping
 Sweet legion, release me
 The devil in heaven was still God's favorite
 Divine irony

Cause when you say that I'm the only one
 Did you mean that I'm the closest one around?
 Around
 You know that talk is cheap and don't mean a thing
 Did you say you loved me
 Cause you liked the way it sounds?
 Lover of mine
 Is it a sign
 That I haven't slept in weeks?
 The Sun it shines
 And it's so bright in my eyes
 But I still cannot see
 Oh, honey, look at the time
 You're still in my mind
 And it's half pastime you leave
 Cause when you say that I'm the only one
 Did you mean that I'm the closest one around?
 Around
 You know that talk is cheap and don't mean a thing
 Did you say you loved me
 Cause you liked the way it sounds?
 It sounds now, darling
 The past it hurts
 But the future ain't got nothing to do with you
 You
 Your loving words
 Are for the weak at heart or the
 Simple-minded fools
 Fools
 Now I know so much better, babe
 Than to go around feeding snakes like you
