

Say Hi To Your Mom - Yeah, I'm In Love With An Android

Tom: C

[Verse 1]

Her kisses are metallic and her touch is firm but cold.
 And I don't think she sleeps at night, but plugs into the wall.
 We have a great relationship based on things that can't be said.
 She has a great relationship with our television set.

[Chorus 1]

And, yeah, I'm in love with an android, but so what?
 Stranger things have happened,
 stranger things have been loved.

[Verse 2]

The neighbors are an odd bunch and they're too inquisitive.

They don't like heavy metal,
 or the type she shacks up with.
 But I swore I'm done with humans
 and I like to keep my word.
 And she beeps for me every time it's time to go water the fern.

[Chorus 2]

And, yeah, I'm in love with an android, but so what?
 Stranger things have happened,
 stranger things have been loved.

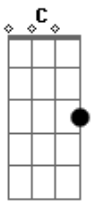

[Interlude]

F C G F (2x)

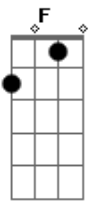

[Chorus 3]

And, yeah, I'm in love with an android, but so what?
 Stranger things have happened,
 stranger things have been loved.
