

Schmoyoho - Always Summertime

Tom: G

It's always summertime here in my mind
 When I think of how we were when we went out
 So very happy together
 Not afraid of forever
 But you changed your mind

Chorus:
 In life revised you never went away
 I'm yours, you're mine we never had to say
 Goodbye - y- ye
 Goodbye - y - ye

Verse 2:
 It's always wintertime here in my mind
 When I think about the way that things turned out
 So very broken beyond repair

I'm here and you're there
 'Cuz you changed your mind

Chorus:
 In life revised you never went away
 I'm yours, you're mine we never had to say
 Goodbye - y- ye
 Goodbye - y - ye

Verse 3:
 It's always summertime in my mind
 Until I remember
 You changed your mind
 Until I remember
 Life can't be revised
 Until I remember
 We said goodbye
