

School Of Rock Series - Shut Up And Dance

```
We took the floor and she said
                          tom:
               {\bf B} (forma dos acordes no tom de {\bf C} )
                        Afinação: Eb Ab Db Gb Bb Eb
                                                           Oh don't you dare look back
Intro:
                                                                 Am G
                                                           Just keep your eyes on me
Oh don't you dare look back
                                                           I said you're holding back
Just keep your eyes on me
                                                           She said shut up and dance with me
I said you're holding back
                                                           C F Am G
                                                           This woman is my destiny
She said shut up and dance with me
                                                           She said oh oh oh
                                                            Am G
This woman is my destiny
                                                           Shut up and dance with me
She said oh oh oh
                                                           [Solo]

I felted it in my chest when she looked at me F G C G G
                                                           She said oh oh oh
                                                           Shut up and dance with me
I knew we were bound to be together, Bound to be together
She took my arm \mathsf{C} \qquad \mathsf{G} \qquad \mathsf{G}
                                                           Oh oh oh shut up dance with me
I don't know how it happened
                                                           Oh oh oh shut up dance with me
