

Scintillant - Life Never Ends

tom:
F (forma dos acordes no tom de G)

Afinação: D G C F A D

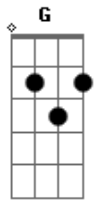

The Soul is infinitely rich
It may be in a cloudless sky
A vast ocean, or the most
Secluded valley
Every particle of the universe
Is a good and guiding light
Towards the Divine Being
Though the soul is not visible to
The eye, Hmmm
It beholds the sun, moon and stars
And adorns itself with love
It sees itself in a constant now
And has no need of anything else
It's an overflowing source of knowledge
Wisdom, and bliss
Death is just an act of illusion
Like a river that empties
Into the vast sea. Hmmm
At some point in life, many, like me

Will experience the pain of loss
It's easy to think that life is over
But it don?t! oh it don?t
Nooo nooo it don?t
Oooh no no it don?t
One life is but a single act
One body ? a garment
One Century ? a day
One task ? an experience
One Triumph ? an acquisition
One death?
A breath of rebirth
Breath of rebi-i-irth
Ohh one death
A breath of rebirth
A breath of reb-i-i-irth
The Soul is infinitely rich
It may be in a cloudless sky
A vast ocean, or the most
Secluded valley
