                                                           Love, our love
Time, it needs time
                                                           Gbm
                                                           Just shouldn't be thrown away
To win back your love again
                                                                  Ab7
                                                                            Db
                                                           I will be there, I will be there
        Ah7
I will be there, I will be there

                                                           If we'd go again
Can bring back your love someday
                                                           All the way from the start
