

# Scorpions - Always Somewhere Live

Tom: **C**

Tabbed by: Subodh Pun

This is the live unplugged version of the song performed by the band itself in USA in 1998. I am not going to tabulate the Intro of the song cuz it's quite similar to the Intro of the plugged one and I am not going to write the lyric of the song as well. I am just gonna write the tablature of the solos.

Acoustic guitar is used.

End of Solo 1

Solo 2

End of Solo 2
