

## **Scorpions - Does Anyone Know**

```
Intro: Am
          Dm Am
  Is this world out of control
  say what is right, what is wrong
 Do I know this world at all
  I think I do, but then I don't
 I confused by what I see
  I try to understand
 but it makes no sense at all
  I confused by what I feel
  I thought that our love
 was something that is real
       Does anyone know
                             (the truth we're looking for)
       the truth we're looking for
        can't find it anymore
                             (the truth we're looking for)
        Does anyone know
        how to make me feel
        for something that is real
 So many things that I recall
 when we were young, just flying high
```

```
Can we turn our fate at all
 I wish we could, say don't you cry
 I confused by what I hear
 girl it seems to me
 we're loosing after all
 I confused by what I feel
 I thought that our love
 was something that is real

 Another day has just begun
 life goes on there's no return

 how can I trust anyone
 when honesty is such a dirty word
