

# Scorpions - Fly people Fly

Tom: G

And I see the tears in your eyes  
 The rain will fall tonight  
 And tonight we'll go to the sky  
 Because and we fly

Refrão:

All together  
 Fly to the sky  
 Fly to the rainbow  
 Fly people fly  
 Fly people fly

And I see the smile on your face  
 When you look into space  
 He's so bright and he is so great  
 Come on or it's too late  
 All together  
 Fly to the sky  
 Fly to the rainbow  
 Fly people fly  
 Fly people fly  
 See the rain going to the sun  
 The man will not go  
 And the world they have no fun  
 Hurry up people run  
 All together  
 Fly to the sky  
 Fly to the rainbow  
 Fly people fly  
 Fly people fly  
 All together  
 Fly to the sky  
 Fly to the rainbow  
 Fly people fly  
 Fly people fly
