

## **Scorpions - His Latest Flame**

```
: C - Am - C - Am ...
A very old friend
Came by today
'Cause he was telling everyone in town
  C Am
About the love he just found
C F G
                                     Am....
And Marie's the name of his latest flame
He talked and talked
     C Am
And I heard him say
That she had the longest, blackest hair
   C Am
The prettiest green eyes anywhere
            F G
And Marie's the name of his latest flame
Though I smiled the tears inside were a burning
          Dm
                            G
I wish him luck, and then he said goodbye
```

```
He was gone, but still his words kept returning
\ensuremath{\text{C}} \ensuremath{\text{Dm}} \ensuremath{\text{Dm}} \ensuremath{\text{C}} \ensuremath{\text{Am}} What else was there for me to do but cry
Would you believe that yesterday
This girl was in my arms and sworn to me
She'd be mine eternally
And Marie's the name of his latest flame
                 Dm
Though I smiled the tears inside were a burning
                Dm
I wish him luck, and then he said goodbye
He was gone, but still his words kept returning
What else was there for me to do but cry
Would you believe that yesterday
This girl was in my arms and sworn to me
She'd be mine eternally
                 F
                                                        Am
And Marie's the name of his latest flame
And Marie's the name of his latest flame
And Marie's the name of his latest flame
```

## **Acordes**
