

Scorpions - Love Will Keep Us Alive

Tom: F

When I look at you
 I can see the sadness in your eyes
 In these desperate times
 We get pushed and shoved from every side
 I can't love you if you won't let me
 Can't touch me if you don't try
 I can feel you
 I know that you're ready to take it to the other side

Love will keep us alive
 Let's make the moment right
 It's now or never
 Love will keep us alive
 Even the darkest night
 Will shine forever
 Love will keep us alive
 Love will keep us alive
 Love, love will keep us alive

(Intro)

When you walk away
 There's an empty feeling in my mind
 As the days go by
 We get caught up in our separate lives
 If you need me
 You know I'll come running
 Right to you
 Just give me a sign
 I won't leave you
 We'll make it together

And take it to the end of time

Love will keep us alive
 Let's make the moment right
 It's now or never
 Love will keep us alive
 Even the darkest night
 Will shine forever
 Love will keep us alive
 Love will keep us alive
 Love, love will keep us alive

(Intro / Solo)

Oh, I've got a lot of loving to show you
 You know I'd never want to control you
 I only want to be by your side
 I can't love you if you won't let me
 Can't touch me if you don't try
 I can feel you
 I know that you're ready to take it to the other side

Love will keep us alive
 Let's make the moment right
 It's now or never
 Love will keep us alive
 Even the darkest night
 Will shine forever
 Love will keep us alive
 Love will keep us alive
 Love, love will keep us alive
 Love will keep us alive
 Love will keep us alive
 Alive
 Love will keep us alive
