Scorpions - Maybe I Maybe You

Tom: D

Dedilhados:

```
                Gbm
Maybe I, maybe you
                          Bm
Can make a change to the world
                         A
We're reaching out for a soul
D7M                              Db    Db7
That's kind of lost in the dark
                Gbm
Maybe I, maybe you
                     Bm          A
Can find the key toooooooo the stars
A                         D7M
To catch the spirit of hope
          Db                Gbm
To save one hopeless heart
           Gbm
You look up to the sky
                          Bm
With all those questions in mind
                     A
All you need is to hear
D7M                      Db    Db7
The voice of your heart
                    Gbm
In a world full of pain
                         Bm
Someone's calling your name
                        A
Why don't we make if true
D7M                  Db
Maybe I, maybe you
D7            Db
Maybe I, maybe you
D7            Db    Db7
Maybe I, maybe you
```

Interludio:

```
                    Gm
Maybe I, maybe you
                           Cm
Are just dreaming sometimes?
                          Bb
But the world would be cold
Eb7                    D   D7
Without dreamers like you

                    Gm
Maybe I, maybe you
                     Cm                 Bb
Are just soldieeeeeeeers of love
Bb               Eb7
Born to carry the flame
          D                Gm
Bringing light to the dark

                       G
You look up to the sky
                              C
With all those questions in mind
                        Bb
All you need is to hear
      Eb            D
The voice of your heart
D                     G
In a world full of pain
                           C
Someone's calling your name
                          Bb
Why don't we make if true
Eb         D
Maybe I, maybe you
Eb         D
Maybe I, maybe you
Eb         D                  Gm
Maybe I, maybe youuuuuuuuuuuuuuuuuu
