

Scorpions - Rollin' Home

Tom: E
Intro: 2x: E E Dbm A

E
Way back in the days
It feels so long ago
But I remember it well
Always looking for a pot of gold
An old beat up van
We would drive from gig to gig
I wonder how we survived
But we were on to something big

You gotta make it or break
I always knew that we were strong
No matter what was said
We wouldn't argue for too long
And when it hit me hard
I thought I can't go on, no more
But at the end of the day
You really know what friends are for

Now it's time to move along

The wheels keep turning round, we'll carry on
