

## Scorpions - Taste Of Love

[Solo] Am Am7 Am Am7 Am Am7 F Am Am7 tom: Intro: Am Am7 Am Am7 One more time, no more fooling F F Am Am7 Why'd you ask her, no one sees that she's still running In her life, not much loving G On and on, no more loving From the early years she felt that she was falling Ask her why and she would lie that she's still hoping for G Even I've never seen her laughing Ask her why and she would say that she's still hoping for Taste of love, taste of love, taste of love Taste of love, taste of love, taste of love All the time he sees that whole my loving is true G It's easy to wish In her time, so much growling It's breaking her heart Why'd you ask her, no one hears that she's still calling He even says the words I love you On and on and even you say loving She's giving her taste of love Ask her why and she would say that she's still hoping for (Gave me the taste of love, babe!) Taste of love (taste), taste of love, taste of love! All the time he sees that whole my loving is true All the time he sees that whole my loving is true It's easy to wish It's easy to wish It's breaking her heart It's breaking her heart He even says the words I love you G He even says the words I love you Uuuuoooooaaaahh G She's giving her taste of love All the time he sees that whole my loving is true ( Am Am7 Am Am7 ) ( F F Am Am7 ) It's easy to wish It's breaking her heart In her life, so much crying He even says the words I love you From the early years she felt that love was dying She's giving her taste of love Even I've never seen her laughing Ask her why and she would lie that she's still hoping for Taste of love Taste of love Taste of love (taste of love), taste of love, taste of love Taste of love All the time he sees that whole my loving is true Taste, taste, taste of love Taste of love, taste, taste, taste of love It's easy to wish Taste of love It's breaking her heart He even says the words I love you Taste, taste of love Taste of love She's giving her taste of love Acordes ukulele-chords.com
