

Scorpions - The World We Used To Know

Tom: E
Intro: 2x: E A

E Abm
The flowers died on fields of hope
E Abm
All the way from east to west
E Abm
Where the mighty winds will blow
E Abm
I'll put my dreams to rest
B Gbm
This scary monster is very much alive
B Gbm
Like a hundred years ago

E Abm
If all those missiles would be bread
E Abm
No one had to starve tonight
E Abm
We run for shelter and what is left
E Abm
Is a life ain't worth a dime
B Gbm
So far away from human rights
B Gbm
Stranded all alone

E Dbm
It's a long way to go
Gbm B
To find the world we used to know
E Dbm
A long way to go
Gbm B
To find the better world we used to know

Ponte: E A

E Abm
Before we make this world a mess

E Abm
We gotta clean up our minds
E Abm
We could be brothers, sisters, yes
E Abm
United once and all the time
B Gbm
From out of space the captain takes a look
B Gbm
At mother earth, so small

E Dbm
It's a long way to go
Gbm B
To find the world we used to know
E Dbm
A long way to go
Gbm B
To find the better world we used to know

D E Gbm
Who will be cryin' when we fall (Just tell me)
D E Gbm
Who in the world can heal our souls

Solo 3x: E A

E Dbm
It's a long way to go
Gbm B
To find the world we used to know
E Dbm
A long way to go
Gbm B
To find the better world we used to know
Gbm B
A better world we used to know
Gbm
A better world
B E
It's a long way to go
