

Scorpions - We'll Burn the Sky

Tom: **Db**

Intro: / Versos:

I'm in love with the sunshine,
I'm in love with the falling rain,
Everything seems to call your name..
Yesterday you were leaving,
Leaving life and all the pain,
Everything..

"Wants you back again..."

Refrão:

I've found myself through you,
And there was love in my life,
I felt always naturally high
And my love had a home,
But now my mind has started to roam..
You're my life giving fire
And you carried all my love
Through you I was so inspired
You're engraved deep in my..

"Heart..."

Versos:

My dreams recall us being one
I've searched for you to be free
My force of life you have always been
I Feel blue since you've gone
Your breath of love surrounded me
When can I...

"Rejoin you to be free..."

Refrão:

Wait, can this be a dream
There is a voice in my head
It belongs to you, it say's
Don't cry, no need to be sad
There's a way to stay with you again
It's more than we ever had
And no death brings us apart
Our timeless love always grows
Because you are my other..
