

# Scorpions - Where the river flows

Tom: C

Intro: d= Am

Under suburban skies  
 where life is bleeding  
 where concrete skies are grey  
 there's plenty of room for dreaming

I still keep coming here  
 follow those traces  
 I travel back in time  
 remember all those places

Feels like I never left  
 the house's still standing  
 down by the river where  
 the dreams are never ending

You find me, you find me  
 you find me by the river  
 you find me, you find me  
 you find me where the river flows

Under the silent moon

this industrial city  
 Is heartland even though  
 life's been not that pretty

i still keep coming here  
 to that old river  
 to find my roots just where  
 the future lives forever

You find me, you find me  
 you find me by the river  
 you find me, you find me  
 you find me, you can find me  
 by the river where dreams will never die  
 by the river under suburban skies
