

Scorpions - Where the river flows

Tom: C

Intro: d= Am

Under suburban skies
 where life is bleeding
 where concrete skies are grey
 there's plenty of room for dreaming

I still keep coming here
 follow those traces
 I travel back in time
 remember all those places

Feels like I never left
 the house's still standing
 down by the river where
 the dreams are never ending

You find me, you find me
 you find me by the river
 you find me, you find me
 you find me where the river flows

Under the silent moon

this industrial city
 Is heartland even though
 life's been not that pretty

i still keep coming here
 to that old river
 to find my roots just where
 the future lives forever

You find me, you find me
 you find me by the river
 you find me, you find me
 you find me, you can find me
 by the river where dreams will never die
 by the river under suburban skies
