

# Scorpions - White dove

Tom: C

C G  
A place without a name  
Dm Am  
Under a burning sky  
C G  
There's not milk and honey here  
Dm Am  
In the land of God

C G  
Someone holds a sign, it says  
Dm Am  
We are human too  
C G  
And while the sun goes down  
Dm Am  
The world goes by

C  
White dove  
G  
Fly with the wind  
Dm Am  
Take our hope under your wings  
C  
For the world to know  
G  
That hope will not die  
Dm Am  
Where the children cry

C G  
Waves big like a house  
Dm Am  
They're stranded on a piece of wood  
C G  
To leavee in all behind  
Dm Am  
To start again

C G  
But, instead of a new life  
Dm Am  
All they find is a door that it's closed  
C G  
And keep looking for  
Dm Am  
A place called hope

C  
White dove  
G  
Fly with the wind  
Dm Am  
Take our hope under your wings  
C  
For the world to know  
G

That hope will not die  
Dm Am  
Where the children cry

C G  
Na na na na na na  
Dm Am  
Na na na na na na na na na na  
C G  
Na na na na na na

F Am  
Can anyone tell me why  
Dm  
The children of the world  
E  
Have to pay the price?  
Solo: C G Dm Am (2X)

C G  
And now you're telling me  
Dm Am  
You've seen it all before  
C G  
I know that's right but still  
Dm Am  
It breaks my heart

C G  
Well, the one Lamb we've sent  
Dm Am  
Makes us feel better now  
C G  
But you know it's just a drop  
Dm Am  
In a sea of tears

C  
White dove  
G  
Fly with the wind  
Dm Am  
Take our hope under your wings  
C  
For the world to know  
G  
That hope will not die  
Dm Am  
Where the children cry

C G  
Na na na na na na
